## Weekly & Monthly Budget Planner

| Monthly Budget Overview  |              |             |
|--------------------------|--------------|-------------|
| Category                 | Planned (\$) | Actual (\$) |
| Income                   |              |             |
| Housing (Rent/Utilities) |              |             |
| Food & Groceries         |              |             |
| Transportation           |              |             |
| School Supplies          |              |             |
| Entertainment & Social   |              |             |
| Health & Fitness         |              |             |
| Savings & Emergency Fund |              |             |
| Other                    |              |             |

| Weekly Spending Tracker - Week 1 |              |             |
|----------------------------------|--------------|-------------|
| Category                         | Planned (\$) | Actual (\$) |
| Income                           |              |             |
| Food & Snacks                    |              |             |
| Transport                        |              |             |
| Social & Fun                     |              |             |
| Other                            |              |             |

| Weekly Spending Tracker - Week 2 |              |             |
|----------------------------------|--------------|-------------|
| Category                         | Planned (\$) | Actual (\$) |
| Income                           |              |             |
| Food & Snacks                    |              |             |
| Transport                        |              |             |
| Social & Fun                     |              |             |
| Other                            |              |             |

| Weekly Spending Tracker - Week 3 |  |  |
|----------------------------------|--|--|
|----------------------------------|--|--|

| Category      | Planned (\$) | Actual (\$) |
|---------------|--------------|-------------|
| Income        |              |             |
| Food & Snacks |              |             |
| Transport     |              |             |
| Social & Fun  |              |             |
| Other         |              |             |

| Weekly Spending Tracker - Week 4 |              |             |
|----------------------------------|--------------|-------------|
| Category                         | Planned (\$) | Actual (\$) |
| Income                           |              |             |
| Food & Snacks                    |              |             |
| Transport                        |              |             |
| Social & Fun                     |              |             |
| Other                            |              |             |

## ■ Reflection Prompts

- Did I stick to my budget this month?
- Where did I overspend, and why?
- What habits helped me save money?
- What changes can I make for next month?
